

Hello,

OXY
1099 18th Street Suite 700
Denver, CO 80202-1918

Oxy has proposed an oil and gas location in the area and would like to collect feedback from the surrounding community. Our Stakeholder Relations team is a dedicated resource for stakeholders in the communities in which we operate.

This will be the first of several communications to come from us throughout the process. We are planning to visit your neighborhood soon to hear directly from you!
